SCN-OPN-WPN Outfitting Realignment

Overarching Guidance

- ***Virtual SYSCOM MOA dated 24 May 2002:***
 - “NAVSEA, NAVAIR, SPAWAR and NAVSUP agree to an examination of our supply and logistics functions to determine better ways to align and transform the execution of these functions and to move towards a more common process where appropriate.”
- ***ASN (RD&A) msg 112123Z Oct 02:***
 - “COMNAVSUPSYSCOM will serve as the Logistics Support Authority for all the SYSCOMs. This Virtual SYSCOM approach will give visibility to potential disconnects or competing programs across all PEOs and SYSCOMs to ensure our resources are focused on only those efforts that provide the maximum benefit to the Fleet and Fleet Marine forces.”
- ***Other Factors:***
 - 17% reduction in NAVSEA manning end of FY-04
 - NAVSEA portion of SECNAV \$670M “wedge” savings
 - SUPSHIP funding shortfalls (By FY05, 62% reduction in end strength since 1990)
